

# How do you disciple a believer without a Bible?

Africa is the 2nd most populated continent in the world. There are 1.5 billion people in Africa, 18% of the world's population. Over 60% of people in Africa are under the age of 25. The continent's population is expected to more than double to 2.3 billion people by 2050.

Local champions in Africa – Christians who live there – are passionately spreading the name of Jesus to millions of people, but they need Bibles. **Men and women, with a calling on their heart to start new churches and disciple believers, do not have the Bibles they need to minister effectively.**

*"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you." Matthew 28:19-20a NIV*

## An Innovative Approach

Through a unique and effective ministry model – equipping local champions for ministry – there are many opportunities to place Bibles, but the need surpasses the supply.

These local champions receive training, learning how to reach out and bring others to Christ. They learn how to start worship groups that eventually grow into churches, encourage new leaders and multiply impact.

But they need Bibles.

Bibles are in short supply. Leaders often have just one or two copies to share with their groups. Their prayer is for more Bibles.

## Your Opportunity

**You can be an answer to prayer and equip twice as many leaders with Bibles, so twice as many believers are discipled in their faith, thanks to a matching opportunity.**

Every \$10 you give before April 30, 2026 will be matched, effectively equipping twice as many leaders with the Bibles they need to disciple new believers. Your gift will have double the impact! [www.BibleLeague.ca/Transforming-Africa/](http://www.BibleLeague.ca/Transforming-Africa/)

**2x**

With your gift today, you can place not 1, but 2 Bibles in waiting hands. Every \$10 will place 2 Bibles with new believers! The goal is to provide a total of 84,000 Bibles to believers in Africa!

*You can read about the urgent need of local champions in Africa, who are eager to disciple believers and reach out to their communities. (Please turn over)*

# Leaders Discipling Believers, without Bibles.

You probably can't imagine attending church or your small group without your Bible – or looking around the room and seeing that no one has a Bible, including the leader!

But that is what is happening to church leaders in Africa.

Leaders, discipling believers, without Bibles.

Recently a group of Christian leaders travelled to just outside Juba in South Sudan. There they planned to work with a group of internally displaced people who had fled conflict in their hometowns, training them to start new church groups in the refugee camp.

**The leaders brought a few Bibles with them, but they were shocked to discover that in their class of 30 participants, five confessed that they had been believers for many years but never had their own Bibles!**

Many of the others in the class praised God for answering their prayer by providing them with a new Bible, having left everything behind as they fled their hometowns for relative safety. The trainers are overwhelmed by the lack of Bibles for these leaders in their communities!

**Each of them leads and disciples a church group with few or no Bibles.**  
And this is just one group of leaders.

Another church leader sums it up,

*"It is difficult to disciple someone who can't go home and study or read what you have shared together. Many believers remain spiritual infants after years of salvation, as they have only a few memorized verses to sustain them.*

*It can become discouraging to lead non-believers to Christ knowing there is no Bible for them. Please, will you send Bibles?"*

**You can provide the Bibles.**

You can scan this  
code to give.

2x

**DOUBLE  
YOUR  
IMPACT**

**\$10 places**

**2 Bibles**
