

Dear teammates,

Praise the Lord for many new things that God has allowed in recent months—all testaments to a new level of favour that God seems to be giving us in our ministry. But before I share that, here is a funny story ...

Recently, I mentioned in an update to a supporting church that I'd just turned 60. You can imagine my surprise when afterwards, the thirty something aged pastor came to pray for us — asking God to bless us as we ministered in our old age. :) Yes, we are getting older, but God continues to give strength and to bless — personally and in our ministry. We were just blessed with a third grand child — a healthy little girl. Another blessing is our Katie launching to minister in Papua New Guinea in September with full support and our Amy volunteering at our mission headquarters in Ontario. And I had the privilege to help drywall a house for our former youth pastor. Here is a recent family picture. God is good!

Please confirm your mailing address with us so we can send you our new prayer card.

NEW VIDEO ...

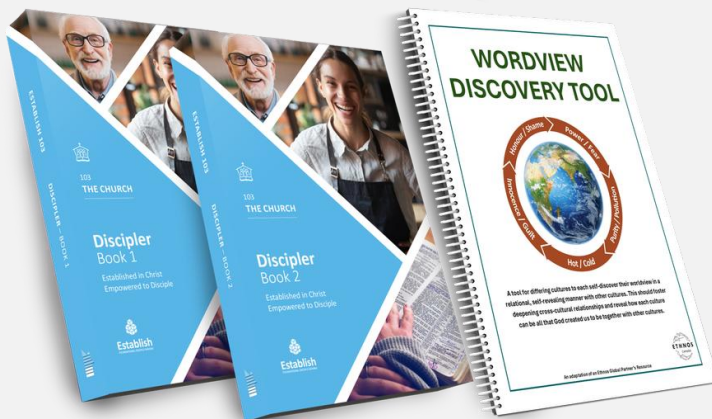

God blessed us with a supporter who **videoed our church planting story amongst the Mengen**. Please click on the second video below to celebrate what God did through your active partnership. (There is also a new Bible teaching video showing believers of four different cultures learning with and

from each other as we engage with God's Word. Here is the link to watch this:
<https://youtu.be/OMBn93HLfpA>)

NEW THINGS ...

- God led our team to just release our **third level of Bible lessons on the book of Acts**. This was an eight month project as our team wrote, edited as a team and with the Church, designing the layout, and printing them. God is good!
- God gave me the **privilege to lead a pastors conference** with our tools. We now have enough different pieces that almost everyone took something and some beginning to multiply what they learned. More multiplication!
- God led in the creating of a **tool to help believers navigate the cross cultural relationships** within their churches so that we deepen cross-cultural relationships, increase the impact of God's Word, and reveal how each culture can flourish as God intended — together with others. Praise the Lord, this tool is already bearing fruit!

Thank you for your ongoing partnership in the gospel - we could not do this without you. Please pray as we take some down time this summer to prepare to engage with new open doors in the fall.

Love,
Dave & Judy
