Covid Protocols:

We will be grouping children in teams of 10 or less with 1 or 2 leaders per team. We will ensure teams are distanced at all times so children are only exposed to their team members. If we have less than 15 children and are able to distance easily, masks will be optional. (Activity leaders who are exposed to more than one team will be masked) We will clean activity areas in-between groups and have hand sanitizer readily available. Should we have more than 15 children, masking will be mandatory inside and optional outside. We will have additional masks available on site. If your child has any symptoms, please keep them at home.
